DEDICATION
THE OLYMPIC SPIRIT
TO EXCELLENCE

©

This yearbook is dedicated to the "Spirit of Excellence" exemplified by the XV Winter Games in Calgary in 1988. While saluting those athletes who trained so hard to make the Olympics the huge success it was, we salute all athletes who competed even if they did not win medals. The lesson of the competition should be one we remember throughout our school years. Try your hardest at all times even if you do not receive the top marks. It is to this ideal that we respectfully dedicated our Yearbook for 1987-88.

On March 18, 1988 a very excited ski troupe departed for Marmot Basin at Jasper for three fun-filled days of skiing, hot-tubbing, touring the townsite and enjoying an evening hayride at Jasper Park Lodge. The group enjoyed tremendous skiing under varied skys of sun, overcast and even fluffy, fresh falling spring snow.
